President's Message

Thanksgiving time is almost here again, and I think we have a lot to be thankful for. We've had a good year and I'd personally like to thank Marty Martin and Jim and Ruby Throgmorton for all their help. They make my job a whole lot easier, and I really appreciate all their hard work. Our team, the FCA Bunch, work well together.

The River City Chapter is the only chapter planning a spring regional. Talk it over and see if your chapter would like to put on one. It takes some effort, but it's fun getting together with other FCA members and it's a chance to make some money for your chapter.

The 1994 Nationals in Valley Forge are going to be in a super location. Plan your vacation so you can attend.

The inside car shows are starting. Try to show your Falcons so we can get some recognition.

Have a Happy Thanksgiving!

Jim Hatcher, FCA President

Chapter News

The **Mid America Chapter** held its September at K & M Bar-B-Q in Spring Hill, KS. There were 28 present with two Falcons driven to the meeting. Everyone had a great time at the Nationals in Knoxville. The donation collected there will be given to Joe Reed of Leavenworth, KS, a member of our chapter who lost his house and most of his belongings to the flood. The October meeting was at Western Sizzlin' in Grandview, MO, where we had 29 present with two Falcons driven. Plans were finalized for the annual Christmas party on December 11, 1993, 7:00 p.m., at Rykert's Hall in Lenexa, KS. The chapter furnishes the meat and drinks with everyone bringing a covered dish. We also have a lot of fun with a Chinese grab bag gift exchange. There will not be a November meeting.

Two of the **River City Chapter** Falcons took first place trophies at the 7th Annual Cruisin' '93 in Willow, CA, in September. There were 452 cars in all. Congratulations to Terry Rogers with his 1965 Ranchero and Sam Tumino with his 1964 Sprint convertible.

The **Mile Hi Chapter** membership has swollen to 70 member families and continues to grow. There were many parades in which members participated throughout the summer and fall as well as numerous cruises and events. We had a caravan of Falcons participate in a day trip over Trail Ridge Road in Rocky Mountain National Park stopping for lunch in Estes Park. The weather was gorgeous and enthusiasm was high. We also caravanned down to the Air Force Academy for brunch at the NCO Club and held a Skil Driving Challenge afterward where points were collected for eventual trophy presentation. Dash plaques were also given to all who attended. Our October meeting was a dinner at Brooklyn's, and in November will be our election/pot luck supper/annual birthday party.

Teck Tip

The gravel guard differences on the 1964 and 1965 Falcons do not seem to be related to body style, rather to the differences in shape between vehicles with factory installed air and those without. The center of the guard is opened up so the condenser and dryer have room to be installed.
